

INVITATION

SAVE THE DATE

MEDENER, the Mediterranean association of national agencies for Energy Efficiency and Renewable Energy, in partnership and with the support of ENEA (the Italian National Agency for new technologies, energy and sustainable economic development) and ANEA (the Agency for Energy and the Environment of Naples) is organizing its 3rd International Conference

Towards the Euro-Mediterranean platform: Financing for energy efficiency and renewable energy sources

April 10th 2015, Mostra d'Oltremare, Naples

The Conference intends to focus on the role of the different stakeholders, national, local and multilateral, as well as their complementarities, in view of the new "Euro-Mediterranean Platform on Renewable Energy and Energy efficiency" now under discussion. Namely, the agenda gives an in-depth on a few best practices so far carried out to finance Energy Efficiency and Renewable Energy Sources.

The Programme will be soon available
